Pre-Registration Pedigree

The undersigned certifies the below information is correct to the best of their knowledge.

(Please print) - Use punctuation and spelling as you wish it to show on the registration papers.

Sire/Reg #

The pedigree chart is a tree structure. The root node is labeled 'Sire/Reg #'. It branches into two child nodes. Each of these child nodes branches into two more child nodes. The rightmost four nodes have two horizontal lines each, intended for a name and a registration number. The labels 'Sire/Reg #' and 'Dam/Reg #' are placed to the left of the first and second levels of branching, respectively.
